Information Technology Jobs Are In Demand.
Begin Your Career In The Growing IT Industry

The Connecticut Workforce & High-Tech Industry Skills Partnership (CT-WHISP) is seeking individuals to strengthen the talent pipeline of workers in the Information Technology (IT) sector!

Mandatory IT Bootcamp will start in-person at Housatonic Community College August 19, 2024 - September 16, 2024, Monday and Wednesday 5pm-8pm

CompTIA A+ Certification Preparation Course

Classes Begin September 23, 2024 - December 11, 2024

Monday, and Wednesday 6:30pm - 9:30pm

15-Week virtual online course through Housatonic Community College.

Training prepares individuals to start in entry-level IT positions.

Individuals receive supportive services and job-search assistance.

Eligible applicants must:

- Be 17 years of age or older
- Be unemployed or underemployed
- Have a high school diploma or GED
- Reside in the WorkPlace's 20-town service district
- Demonstrate the likelihood of program competition and IT employment
